KENNETH W. DOLLOFF

Principal

I commend you, the graduates of the class of 1972, on your success in school achievements over the past twelve years. Further, I would like to take this opportunity to wish your further success in your life's ambitions and that they be of a high and worthy nature.

Success is for those energetic enough to work for it, patient enough to wait for it, and strong enough to hold it.

"What you are is God's gift to you;
What you do with what you are is your gift to God . . ."

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of light, it was the season of darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going to Heaven, we were all going direct the other way."
